

## ANDROID STATIC ANALYSIS REPORT

VIA Rail (2.17.0)

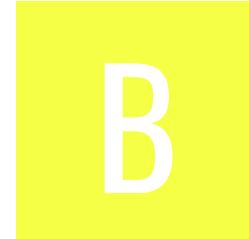

File Name: VIA\_Rail\_Canada\_2.17.0\_APKPure.xapk

Package Name: com.viarail.reservia

Scan Date: Nov. 15, 2025, 3:29 p.m.

App Security Score: **52/100 (MEDIUM RISK)**

Grade:

Trackers Detection: **2/432**

## FINDINGS SEVERITY

# APPLICATION PERMISSIONS

| PERMISSION   | STATUS    | INFO                            | DESCRIPTION   |
|--|-----------|---------------------------------|---|
| android.permission.INTERNET  | normal    | full Internet access            | Allows an application to create network sockets.  |
| android.permission.ACCESS_COARSE_LOCATION                              | dangerous | coarse (network-based) location | Access coarse location sources, such as the mobile network database, to determine an approximate phone location, where available. Malicious applications can use this to determine approximately where you are. |
| android.permission.ACCESS_FINE_LOCATION                                | dangerous | fine (GPS) location             | Access fine location sources, such as the Global Positioning System on the phone, where available. Malicious applications can use this to determine where you are and may consume additional battery power.     |
| android.permission.ACCESS_NETWORK_STATE                                | normal    | view network status             | Allows an application to view the status of all networks.   |
| android.permission.ACCESS_WIFI_STATE                                   | normal    | view Wi-Fi status               | Allows an application to view the information about the status of Wi-Fi.  |
| android.permission.WAKE_LOCK   | normal    | prevent phone from sleeping     | Allows an application to prevent the phone from going to sleep.   |
| com.google.android.finsky.permission.BIND_GET_INSTALL_REFERRER_SERVICE | normal    | permission defined by google    | A custom permission defined by Google.  |

| PERMISSION  | STATUS  | INFO   | DESCRIPTION  |
|---|---------|--|--|
| com.google.android.gms.permission.AD_ID                       | normal  | application shows advertisements                             | This app uses a Google advertising ID and can possibly serve advertisements.   |
| android.permission.ACCESS_ADSERVICES_ATTRIBUTION              | normal  | allow applications to access advertising service attribution | This enables the app to retrieve information related to advertising attribution, which can be used for targeted advertising purposes. App can gather data about how users interact with ads, such as clicks or impressions, to measure the effectiveness of advertising campaigns. |
| android.permission.ACCESS_ADSERVICES_AD_ID                    | normal  | allow app to access the device's advertising ID.             | This ID is a unique, user-resettable identifier provided by Google's advertising services, allowing apps to track user behavior for advertising purposes while maintaining user privacy.   |
| com.viarail.reservia.DYNAMIC_RECEIVER_NOT_EXPORTED_PERMISSION | unknown | Unknown permission   | Unknown permission from android reference  |

# MANIFEST ANALYSIS

HIGH: 1 | WARNING: 2 | INFO: 0 | SUPPRESSED: 0

| NO | ISSUE  | SEVERITY | DESCRIPTION   |
|----|--|----------|---|
| 1  | App can be installed on a vulnerable unpatched Android version<br>Android 7.0, [minSdk=24]   | high     | This application can be installed on an older version of android that has multiple unfixed vulnerabilities. These devices won't receive reasonable security updates from Google. Support an Android version => 10, API 29 to receive reasonable security updates.   |
| 2  | Service (com.google.android.gms.auth.api.signin.RevocationBoundService) is Protected by a permission, but the protection level of the permission should be checked.<br>Permission:<br>com.google.android.gms.auth.api.signin.permission.REVOCATION_NOTIFICATION<br>[android:exported=true] | warning  | A Service is found to be shared with other apps on the device therefore leaving it accessible to any other application on the device. It is protected by a permission which is not defined in the analysed application. As a result, the protection level of the permission should be checked where it is defined. If it is set to normal or dangerous, a malicious application can request and obtain the permission and interact with the component. If it is set to signature, only applications signed with the same certificate can obtain the permission. |

| NO | ISSUE   | SEVERITY | DESCRIPTION  |
|----|---|----------|--|
| 3  | Broadcast Receiver (androidx.profileinstaller.ProfileInstallReceiver) is Protected by a permission, but the protection level of the permission should be checked.<br>Permission: android.permission.DUMP<br>[android:exported=true] | warning  | A Broadcast Receiver is found to be shared with other apps on the device therefore leaving it accessible to any other application on the device. It is protected by a permission which is not defined in the analysed application. As a result, the protection level of the permission should be checked where it is defined. If it is set to normal or dangerous, a malicious application can request and obtain the permission and interact with the component. If it is set to signature, only applications signed with the same certificate can obtain the permission. |

## ► PLAYSTORE INFORMATION

**Title:** VIA Rail Canada

**Score:** 2.7741935 **Installs:** 100,000+ **Price:** 0 **Android Version Support:** Category: Travel & Local **Play Store URL:** [com.viarail.reservia](https://play.google.com/store/apps/details?id=com.viarail.reservia)

**Developer Details:** VIA Rail Canada inc., VIA+Rail+Canada+inc., None, <https://www.viarail.ca>, application@viarail.ca,

**Release Date:** Aug 27, 2015 **Privacy Policy:** [Privacy link](#)

**Description:**

Discover the advantages of our newly designed app for a seamless travel journey. Book, travel, and manage your VIA Préférence account—all just a tap away. DAY OF TRAVEL Enjoy a stress-free travel day with all your essential info right on the home screen. ARRIVALS AND DEPARTURES Get real-time status updates on your train and SMS notifications. MANAGE TRIPS Easily adjust your seat selection, add travel options, or modify your itinerary. UPCOMING TRIPS Access everything you need to know about your upcoming journeys in one place. NEW BOOKING Search and book your next adventure effortlessly. TRAIN TRACKER Follow your train's progress along the route in real time. VIA PRÉFÉRENCE Quickly view your VIA Préférence account and points balance at a glance. DARK MODE Enjoy a visually comfortable experience that reduces eye strain during nighttime use. Happy travels! TERMS, CONDITIONS AND PRIVACY POLICY By downloading the VIA Rail mobile app, you consent to the installation of the application and updates, which can be automatically installed depending on the default settings of your device or operating system, or the settings you selected. You may withdraw your consent at any time by uninstalling this application. By downloading and accessing the app, you confirm that you have read and agree to the terms and conditions of use of the VIA Rail application (<https://www.viarail.ca/en/terms-and-conditions-mobile>). When you use it, any personal information you provide to VIA Rail will be used and protected in accordance with the requirements of the Privacy Act and VIA Rail's Privacy Policy (<https://www.viarail.ca/en/our-privacy-policy>). Please contact us with any questions or suggestions you may have concerning our Policy policy: ATIP@viarail.ca Finally, by downloading and accessing the app, you are also accepting the use of cookies. These are designed to improve your user experience on our site and other media by providing you with targeted advertising based on your interests, collecting traffic statistics, information on your behaviour, and facilitating the sharing of information on social networks. See our Cookie Policy (<https://www.viarail.ca/en/cookie-policy>) to learn more.
